

Amendment to the Claims:

This listing of claims replaces all prior versions, and listings, of claims in the application:

1-17. (Canceled).

18. (Previously Presented) A system comprising:
a communication network;
a first party interface coupled to the network;
a second party interface coupled to the network; and
an anonymizer, comprising a processor, a database and a communication interface, the anonymizer coupled to the network by the communication interface,

wherein the anonymizer receives information about a first party, the anonymizer receives an electronic order placed on the network through the first party interface, the anonymizer is configured to transmit the order to the second party interface, and the anonymizer is configured to transmit less information about the first party to the second party interface than was received.

19. (Previously Presented) The system of claim 18 wherein the communication network includes a GSM network.

20. (Previously Presented) The system of claim 19 wherein the first party interface includes a subscriber identity module, and wherein information about the first party received by the anonymizer is supplied by the subscriber identity module.

21. (Previously Presented) The system of claim 18 wherein the communication network includes an integrated services digital network.

22. (Previously Presented) The system of claim 18 wherein the communication network includes a public switched telephone network.

23. (Canceled).
